“ *I met Barbara through Anne & John Deem. She always had a smile and kind words. Barbara & I kept in touch through her kindness in collecting box tops for some Indian school out west. I always had a pre addressed envelope on my desk ready to drop in the mail. Love keeping in touch on Facebook. Give Anne a hug from me Barb, you will be missed. God be with & comfort your dear family.*

“ I remember meeting your mom, I think it was on your move from the trailer to your first place on the hill in St. Charles. Nothing ruffled her feathers. She always seemed to be able to smile and handle things. I remember the day I came to visit you after you had Irene. She didn't mind sharing her grandma time with a friend. You have picked up enough of your moms wonderful qualities so that she will never leave you. She will be with you always. Your smile is one of those beautiful things. Wish I could be there for the service. The Hause family will be in my prayers. Get ready for some big hugs when you return!
