“ Kent & Family...

I adored Cinda. We had a lot of good laughs when we worked together at the hospital. She could be serious & all business, but she could also be a whole lot of fun. We used to chuckle how we "worked the same". We always knew each other's next step in a busy situation. We had daily conversations about our dogs and how much we loved them, how much they were family. She was a wonderful person, would help you with anything. I was honored to have known her and called her my friend. Heaven has gained an angel. I am so sorry for your loss.
