“ *I am truly sorry for your loss. David was a wonderful man and will be truly missed. David was a very dear friend to my family. My Dad and David have been friends for many years. My favorite memory of David was in Tulsa during the flood of '84. He came over and my parents grilled hamburgers for dinner. David and I sat up at the bar in the dinning room and he put the portable tv in front of us. We watched it while eating and he told my parents that we were on our "hot date". David was a wonderful man and I nor my family will ever forget him. I still get told to this day that he was "my hot date". LOL RIP David. You will be truly missed. We love you.*
