“ Dennis was a great friend, my best friend. He was a kind hearted soul who was taken away from us too soon. He was always there for me when I needed someone, I only wish I could have been there for him. I miss him so much but the memories I have of him will always be cherished. I hope he has found peace and is watching over us all.

“ Julie and family, I am so sorry for your loss! Dennis could brighten a room just by lighting it up with his big smile. I had the pleasure of being both his teacher and his friend. He will be greatly missed. My thoughts and prayers are with you and your family.

“ I worked with Dennis at OTC and I must say he was one of the best student workers that I had the privilege to work with. He was very polite, loved his family and just a joy to be around. He will be missed but truly heaven has gained an angel. One of my fondest memory of Dennis was him sharing how much he loved his family because they chose him. I will never forget that big smile he gave me after he told me about his family. My condolences to the family, I know your heart is broken but God never sleep or slumber and in time the pain will be less.

“ Dennis was a hoot in 5th grade! He loved asking questions that were far above the topic. I consider myself blessed to have had Dennis as ' my kid' for that year. Praying peace and God's comfort for you.
