Hello Mom, it's me again. Next week is another Thanksgiving without you. These times are really hard without you. I miss you terribly. We are planning a small Thanksgiving dinner this year at home and I so wish that you were here to join us. There is not a day that goes by I don't think about you and dad. You both were my rocks and my strength. I love you so much and I wish just once, that I could hear your voice again. Well, I just wanted to stop by to say hello. I love you Mom, your son, Felton.

“ *Dear Mom,
There is still an empty space in my heart because you are gone and there always will be. I loved you very much and I always will. I miss you so much and it's so hard now that you are gone. I know that you are in a better place and with Dad and Mark to keep you company I just know that all three of you are having a grand time. Especially with Jesus there too. I will never forget our talk the night before you passed. I love you mom and miss you so much. Until we meet again, your son, Felton*

“ *I was sorry to hear of Donna's passing, but how she must be rejoicing in Heaven right now! She and her husband were faithful members at Waynesville Free Will Baptist Church when I was the pastor, and they were very precious to my wife and to me. I am praying for God's comfort and strength to surround the family. We will see her again!*

“ Memaw was a wonderful woman of Christ. I am going to miss her many stories of the "shoe" and "tiger tooth" along with the many criticisms she would give me to be a better person in this world. She was the most stubborn woman in this world and at times she terrified me, but she was my grandmother and for that I will be forever grateful. She was the last of my grandparents and that's a tough pill to swallow but I know I've got a good group of Angels to watch over me until my time comes. Memaw, Donna Lea Lorene, I love you forever and always!!!
