“ Aunt Fern was a wonderful aunt. There was always a special connection between us because our birthdays were a week apart. After I graduated from high school and was working at Fort Leonard Wood, Aunt Fern asked me to come visit her in St. Louis. I told her that I couldn't drive in the city and her response was, "You drive in Fort Wood traffic. It's no different!" She gave me directions and that next weekend, I went to St. Louis and spent the weekend with her and Uncle Orval. It was one of many weekends going to see her - and she gave me the confidence to know that I can could go anywhere. We will miss her but I know that she is with my dad, Granny, Grandpa, Aunt Ginny and Uncle Orval.
