“ *I remember she always sang "Silent Night" in German at our Dec services at the Care Center.*

“ *Mrs. Elizabeth was a regular at our services at the RCC when we were able to be there. She attended faithfully, and usually requested a familiar song to be sung. She was a talented lady with crocheting, and would often show us some of her handiwork. I will miss her sweet spirit, but I know she is enjoying the beauty of her Heavenly home with her Savior. We are praying prayers of peace and comfort to the family.*

“ Elizabeth & I shared a friendship through the eight years my mama was in the Care Center & even after Mama passed, we continued to see each other & chat about things.
She was known for always giving out treats at Halloween. My grandchildren always dripped by then to see her!
She gave me a beautiful crocheted baby set for one of my grandchildren when they were born.
I took her things that were crocheted to repair. She was so talented & She loved it when I brought my mandolin & sang for them. She always had request. She especially enjoyed when I would bring watermelon in summer & snow ice cream in winter. I considered her the queen of the Care Center.
She loved the Lord very much & faithfully attended church as long as she was able! I know she will be missed but looking forward to spending eternity with her!

“ I never got to meet her in person, but she was definitely Grandma Betty's bestie. Ms Needs and I exchanged Christmas cards since James and I have been together. Peace and comfort to the family during this time of grieving. What a blessing it is to go across that rainbow though!
