“ I would first like to say to his family that I am truly sorry for ur loss. I remember Eric as a very intelligent guy. We had good times and bad but it was always interesting to be around him. I even think we got into a fist fight in 6th grade, lol. He was kind and very funny once you got to know him. I also remember all the times we would hang out at his house and just goof off. I truly miss those fun times I had with him. He is truly missed by friends and I just wished I stayed in contact with him after I left Waynesville. Rest in peace Eric.
