“ Sorry to hear about Floyd. He was friends with my brother in grade school, who passed.. away in 1984. At that time he would come over to our house. They could stir up mischief...Condolences and my heartfelt sympathy go out to the family in your time of loss. May he rest in peace. Karen (Landreth) Leonard.

“ My cousin Floyd, was a very kind-hearted man, ready to open his home to his friends. He got enjoyment out of singing, and playing a guitar. As a child, he was a lively youth, with a lot of ideas, and fearless toward living life to the limit. I will miss his laughter ,and caring heart. Life had a lot of kicks' but he kept getting back-up. He will be deeply missed. Love always Shirley kinworthy
