“ *My last visit with Alan. Teaching me how to hunt and showing me about black powder. I drove 11 hours to not see a deer. He got one or two before I arrived and got him another the day I left. It was a great trip. I am glad I made it to see him now than I would ever have known.*

“ Alan and I have known each other for over 20 years. We met in the auto business and kept the friendship for years to come. One story he and I shared is the day I moved to Deltona. We went out to celebrate new beginnings and a new dealership. He and I stayed out too long. when it was time to get home he was like “ no idea where your new address is “ We waited until morning to get a hold of the room mate This involved us crashing in the front seats of a jeep Cherokee dealer demo. We had 10 min to get ready and still sold 8 cars as managers with our store that Sunday. He loved that story

“ Alan Ramon
He was a great friend. He will be missed by all of his friends at Hunting camp Nathalie Virginia. He was always willing to help anyone out. He was at his Happy place when he was hunting or fishing. He really enjoyed trying new things. Rest in peace brother.

“ I was a friend of Alan's from Virginia Beach. He lived across the street from me with Anita. Alan was always there to lend a hand when needed. He was a great electrician and builder. We spent many of good times together hunting fishing or cooking on our smokers. He was always quick with a joke. Remember him for what he was and did for others. May he rest in peace.
