“ When we moved to Richland 22 years ago, we had a big Pitbull named "Dozer". Then we kept seeing this dude riding his Harley around town with "Dozer" on his windshield and we just HAD to make friends. A lot of great times and memories to remember. We will miss you very much. R.I.P.

“ James always took credit for being the oldest student I ever taught and reminded me of his birthday every year. I remember him getting a thrill of picking me up at Buckhorn Bowling Alley and taking me for a ride in his 57 Chevy that I tried to get him to sell it to me but he would always laugh and say no!

“ I will miss you like crazy little brother. I am so very sad and cannot believe that you are gone, wishing we had more time together. We had some great times growing up and I have such fond memories. I'm so glad I had those two chances to spend time and ride with you in Missouri in 2013 and 2014. I will miss your smile and your laughter. Ride on in heaven and watch over our families. I love you,

Angie
