“ I am saddened to hear of the passing of this man whom I knew many years ago. In 1978 I had a heart to heart talk with him about my love for his daughter. He welcomed me to the family as his son in law that fate would not have as I lost my own father later that Summer. I will never forget one time when he defended me and I thought he was a courageous and great man. Goodbye old soldier. My thoughts and prayers of God's comfort go out to his family, Bro.

“ We pray that family members and friends will be comforted and able to share feelings with one another during this season of bereavement, being reassured that no matter the trials, God Cares for each one of us.

“ Very sad to hear of John's passing. He used to bring my firewood. He always brought more than he should. I also knew him as Donna's dad from the time I drove her school bus. He was always kind to me. A quiet kind man who cared about people, he will be missed!
