It is with a heavy heart I will miss you very much! I send my condolences to your loving family & friends! May the peace of God reign comfort to your hearts; Mr Dunn & I became friends a little over two years ago and I cherish our friendship. He was one of the most kind hearted gentle spirited men I've ever had the honor to meet. I promised him a steak when he got to feeling better; I'm sure that those Heavenly banquets are far better than any meals we could fix; rest high on that mountain my dear friend! This is not good bye I plan to see you again...❤️ Mary Suire
