“ Sending warm hugs to all of Mark's family ❤️ I was a classmate & neighbor of his growing up, many years we all walked the same path to school. I was good friends with sister Shirley & knew the whole family. Always marveled how this large blended family made it work. Sending condolences from a fellow 1976 grad.....Tammi Goetzinger Greer

“ *I remember a few years back the Lindstroms all gathered in Kearney for a reunion. I didn't attend, but Mark was there and my younger son, Eric, attended. The two of them spent an extra few days with Dean and Jan. Afterwards I received the nicest text from Mark saying how kind and interesting his time was with Eric. I thought that was sweet of Mark to take the time to comment. Then last year as I was traveling through NE I stopped and spent a night with Dean and Jan. I asked Jan if there was anything I could do to help out. She said she had been wanting to bake Marks favorite cookies for him to send him on his birthday. I made them and she sent them and sure enough...Mark sent me a very nice thank you note. ❤️❤️*
