“Mike was one of those real Americans whose many deeds go unrecognized because he did those for the good of them, not to receive accolades for them. He was one of the many Vietnam Veterans who did what his Country asked of him and I was proud to have served with him in the 25th ID LRRPs.

The memory of him and his comradeship will never be forgotten and he will be memorialized by the LRRPs and Rangers whose skills he helped to hone.

“ Mike was a true friend and will I will miss his company and deep voice greatly. He had a laugh you couldn't forget. A true and proven warrior and yet he was kindest and most honest man you'd ever meet. This world has lost another treasure, but God has gained another great spirit.

“ Michelle and family,
It was with heavy heart that I heard of Mike's passing away Saturday. I had just exchanged emails with Mike within the last week of so about an upcoming rabbit show in Anderson and letting him know the white Americans he had sent home with me last spring were doing very well. In the two years I have know him, he had become a great friend. I enjoyed the back and forth banter through email and on the several occasions we had to sit down in person. Mike was always willing to help and share information with anyone. The members of the Breeders of American Rabbits N.S.C. will miss him greatly. His contribution to the breed and club will be remembered for years to come. Our deepest sympathy goes out to your family in this time of loss. Mike's friendship will be missed.
