“ *Terry, Joye, Alex, Terryssa, and Levi, my heart is so heavy as I write this. I am so, so sorry for your loss of this precious little boy. I have so many wonderful memories of Noah and the time I spent with you. Noah was always such a loving big brother to Levi, and forever the typical little brother to Alex and Terryssa. Keep your home filled with love and happy memories. Noah is dancing and playing soccer with the angels.*

“Noah attended our Good News Club at Laquey School for the last 2 yrs. His first words to us were, "Hi, I'm Noah, like Noah in the Bible, Noah and the flood. You'll remember me!" He was our Helper and was always so cheery and positive blessing everyone with his smile and happy, kind spirit. The last words he spoke to me, Mrs. Craine, before Christmas break, were that he was coming back to club to be our helper. We didn't meet last week because of the weather so we never got to see Noah in the new year. He told us he was going to be a Pastor when he grew up and he had so much to give this world. I can see him when he arrived in Heaven and saw Jesus. He might have said, hi, I'm Noah, like Noah in the Bible, remember me? I'm going to be your Helper. We love you Noah and miss you so much. The world has lost an extraordinary young man but Heaven has gotten the very best helper! We will see you again when we get there! Much love, Mr. & Mrs. Craine.

“ *We met Noah when Gauge was in preschool with him, this is where Noah started calling him his Little Buddy and it stuck even in third grade .. I can see Noah's big smile looking down bent over and rubbing his head "hey there little buddy !!! " Everyone in 3rd grade I talked to says Noah was their best friend.. This is because Noah truly made everyone he met feel they are! Coaching him was such a joy always willing to do whatever I ask and encouraged the other kids the whole time ! Always scared to hurt anyone! We love you Noah you are greatly missed ! Terry and Joye we are here for anything you need! Praying daily for you!*

“ *Deeply saddened to hear of Noah's passing. Praying for strength and comfort for his family. Although I did not get opportunity to be one of his teachers. I enjoyed visiting and joking with him in the hallway. He would give the cutest grin when I teased him about keeping his sisters in line. He was so polite and well mannered. He will be greatly missed by all. I will keep all of you in my prayers .*
