Still doesn't seem possible that your days on earth are complete. We love you and will be forever in our hearts. Until we meet again!

Rob we had a great time during high school.

I remember burning up the engine in your muscle car, and then your mom had to pay to get a new one. We jumped the railroad tracks and then everything came off the dashboard.

I remember the old white 2 door beater you got after that, great speaker system!

We had so much fun playing Diablo and hanging out with the fellas. Your living room floor was surprisingly comfortable to sleep on with a pillow and a blanket.

Your old friend Sergey.

“ *Time to come home dear brother
Your tour of duty through
You’ve given as much as anyone
Could be expected to do*

*Just a few steps further
The smoke will start to clear
Others here will guide you
You have no need of fear*

*You have not failed your brothers
You clearly gave it all
And through your selfless actions
Others will hear the call*

*So take your place of honor
Among those who have gone before
And know you will be remembered
For now and evermore*

A great soldier that helped everyone at anytime has left us way too soon. He led the way on what the definition of a stellar soldier is. My heart is saddened for his family and my prayers will be with you now.

“ *I had the honor of knowing this man and serving beside him through hell in Afghanistan. He is a wonder father and soldier. He saved my life on several occasions in Afghanistan and for that I will always be thankful. It saddens me deeply to know such a great man has passed and is now resting. Put the wood to it Doc. I will miss your brother. Till Valhalla!*
