I was given the opportunity to hand pick 5 NCO's from the entire BDE to assist us in standing up the 796th MP BN. Rob was one of the 5 NCO's chosen due to his Army knowledge, his candor, and his ability to get the job done. He was always someone I could go to when I needed sound advice and he was not afraid to let us know when we were doing something wrong. No matter what it was from going fishing to mandatory fun, Robert and Sondra were always there for our team. SFC (R) Patrick was the epitome of the Noncommissioned Officer. I am proud to have known him and to have called him a friend.

I became friends with Rob when I was stationed in Germany in 2005-2006. He was one in the finest NCO's I ever served with. But he was an even better friend. I'm proud to have had his as a friend. He will definitely be missed but not forgotten. Until we meet again.

“ Rob, you were as a father to us while we were stationed on Okinawa. When we arrived and saw a message left on our room phone from you at the Shogun Inn, it was quite unexpected. Your generosity and friendship, along with that of Sondra, from that point on was most comforting and welcoming. Going out to eat with you almost weekly, diving a lot, New Year's at Round 1, golfing, exploring the island, Pizza in the Sky, just too many memories to tell! It's painful to know you are no longer with us. We wish we could have seen you just once more. We take comfort in our beliefs knowing that you are now in a much better place. Thank you for your service to our country and thank you for your friendship. You will forever be in our thoughts and prayers.

“ One of the best neighbors and friends a person could have. Rob was always willing to lend a helping hand or listen. We shared some great times with spouses over breakfast, sitting around the fire in his back yard, and chatting along side the lane in front of our houses. We are going to miss him. We loved him and we love you, Sondra! Thank you for your service to our country and God speed, Rob!!! Until we meet again...

“ Rob was a soldier but most of all he was a loving husband, father, son and brother. He was the love of my life. We travelled the world together and did a lot of amazing things. Without him my life would have been so boring, I love you so much and will miss you always. Your my forever.

“ We served together in Germany and Iraq. I was lucky enough to serve near him in Okinawa. We dove together several times and he resuscitated my love of diving. RIP my friend. Now you can dive without being limited by your tank or depth.

“ Every time we think of Okinawa, we think of Rob and Sondra. You showed us where to go for Sushi and where to dive. We went whale watching at the lighthouse and the lantern festival on the beach. You thought of me when I was pregnant and Christopher was deployed. You were there at the hospital when I gave birth to our first child. It was unfortunate that you guys left shortly after and he couldn't grow up knowing you. We missed you guys even more when we moved to another base and there was no one to take your place. We were sad to hear of Rob's hospitalization and heartbroken when he passed so soon. We love you guys and will miss Rob dearly.
