“We were deeply saddened to hear of the passing of my son’s Pre-K teacher. She made a lasting impact on his life through her kindness, patience, and dedication. We are grateful for the care and encouragement she gave him during such an important time in his development.

Our thoughts and prayers are with her family, friends, colleagues, and all the children whose lives she touched. She will be remembered with great appreciation and affection.

I remember Stephane as a highly respected educator and a friendly encouraging colleague. We visited after school professionally and prayed for one another. When the ice storm of 2005 took down the power lines, we welcomed her, Steve and their new baby into our home because at least we had a fireplace to keep baby Ella warm. Stephane invited me to the birthday parties for her young ones for several years. I’m sure they welcomed their own friends after that. I am shocked and grieved that both Steve and Stephane are now gone so young! I attended the funeral, but didn’t feel closure. I hope Ella, Henry and Jack will feel free to call me if they need my help or someone to talk to.
